

Dear Gibson Parents,

This mail brings an end to the second term, and can you believe that we are already half way through the year. Please take note of the points below:

- A lot of boarding fees are still outstanding. Please note that your son's will not be allowed to return in the third term if fees are not paid up to date (R14 650.00). This is a very serious matter so please check on you payments and any inquiries please contact Ms Rautenbach. Calls will be made to parents with outstanding fees during the holidays.
- Cell phones that are left under pillows or on charge will be confiscated for 2 weeks. Please also note that currently we have 25 unclaimed phones in the safe.
- Please do not mark boys clothes with name tags. Only permanent marker as the tags come off in the washing machine.
- Please do not bring boys back to Gibson sick. This just makes other boys sick. We will no longer allow boys to come back to Gibson and go straight into sick bay. They will be sent home immediately.

We hope you enjoy the time with your son's and enjoy the Soccer World Cup,

Regards,

Robert and Andre
