17 June 2021

Dear Parent/Guardian

It has become necessary to change our daily routine after South Africa recorded the highest number of daily positive Covid-19 cases since January on Wednesday. Please take note of the following:

Academies/Skills training

All academies and training have been suspended for two weeks. The outdoor GMT training will continue as the resistance bands are 1.5 metres apart.

Daily Dismissal

Boys have to leave the premises immediately or study in the designated venues. Gates will be locked at 15h00. Boys who attend extra lessons will only be released when their parents arrive to fetch them.

Academics

Lessons continue until further notice. Only two boys tested positive thus far, and a number of Gibson boys are isolating. Three members of staff tested positive on Tuesday. The school was deep cleaned on Wednesday and the classrooms are sanitized daily to minimise the risk of infections.

I appeal to all parents to err on the side of caution. Do not send your sons to school if they are displaying any of the Covid-19 symptoms. Please communicate with us when family members test positive.

Thank you for your support and encouragement in these uncertain times.

Be safe and be blessed.

KIND REGARDS

**DR A BARNES
PRINCIPAL**
