25 August 2023

Dear Parents/Guardians

## **REGARDING : LATE-COMERS TO SCHOOL AND PE LESSONS**

This letter serves to address two ongoing issues :-

### **Learners arriving late in the mornings**

First and foremost, I want to emphasize the significance of arriving to school on time. Punctuality is a crucial life skill that not only helps in maintaining a structured routine but also promotes a positive learning environment for your child and their peers.

Being on time allows students to start their day calmly, participate fully in morning activities, and be mentally prepared for the day's lessons.

The numbers of late-comers is unacceptable and disruptive to our running the school effectively.

Habitual late-comers will be punished.

### **PE Lessons**

Physical education plays a vital role in promoting a healthy and active lifestyle among our boys. It not only contributes to their physical fitness but also has a positive impact on their mental and emotional well-being.

Physical Education lessons are compulsory and a departmental requirement which forms part of the L.O. term mark. It is important that your son ensures that his PE kit is bought to school on the day he is to have a PE lesson.

Boys failing to do so will be disciplined according to the schools Code of Conduct.

I encourage you to work together with us to address these two issues.

Kind regards

**MR P. JACOBS  
HEADMASTER**
