MESSAGE FROM THE HEADMASTER

Dear Guests

It is with immense pleasure that I extend a warm welcome to all the coaches, participants, and parents attending the Glenwood High School's annual Primary Schools' Cricket Festival.

This festival has evolved into a cornerstone of our cricket programme, and we are delighted to witness the younger cricketers showcasing their skills on our fields.

Cricket is significant at Glenwood, and we are dedicated to nurturing its growth within our school community. Every cricketer, regardless of their skill level, is valued dearly by us. Cricket is deeply ingrained in our school's history, spanning over 115 years, and engages nearly half of our student body on a weekly basis. We actively participate in cricket fixtures against top schools both within the province and across the country, providing an exhilarating opportunity for our young boys to excel.

MESSAGE FROM THE DIRECTOR OF CRICKET

Dear Players, Coaches, Parents, and Guests,

A heartfelt welcome to all teams, whether from nearby or afar, to the Andile Phehlukwayo Glenwood U13 Cricket Festival. We trust that this festival will be an unforgettable experience for everyone involved.

The U13 Cricket Festival marks the beginning of many budding careers for young cricketers at Glenwood. Over the years, we have witnessed participants progress to achieve Provincial and National honours. This weekend of cricket is not just about competition; it's about fostering camaraderie, forming friendships, and promoting a healthy sporting lifestyle.

Our sincere wish is that your time here at Glenwood proves to be enriching, and that you give your best performance on the field. Cherish every moment, and when it's time to depart, may you carry with you cherished memories and enduring friendships.

Wishing you all the best and may your play be outstanding!

MR S. ZUNGU

I extend my heartfelt gratitude to all our staff involved in organising this festival, as well as to every sponsor whose generous contributions have made this event possible. I sincerely hope that the youngsters relish the experience this weekend, as many of them will soon become integral members of the Green Machine Family.

MR PR JACOBS

THE PELICAN FOUNDATION

If you could choose just two things to change the world, what would they be? For the Pelican Foundation, the answer is simple: **Sport and Education**.

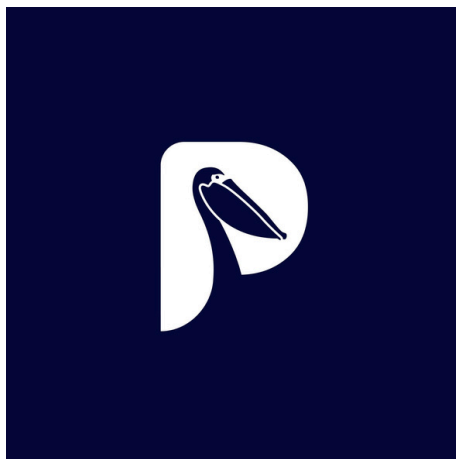

The Pelican Foundation was established with a clear purpose—to use sport and education as powerful catalysts for the success and social development of South Africa’s youth. By creating opportunities and nurturing a spirit of exploration, the foundation aims to empower young people to excel in both academics and athletics, equipping them for a life of purpose.

Founded by Glenwood Old Boys **Andile Phehlukwayo (Class of 2014)** and **Nhlakanipho Madwe (Class of 2013)**, alongside their partner **Mr. Sihle Sibiya**, the foundation’s first initiative naturally started with cricket at Glenwood High School. In 2023, The Pelican Foundation proudly became a partner of Glenwood Cricket, marking the occasion with the renaming of the annual U13 cricket festival to the **Glenwood High School: Andile Phehlukwayo U13 Cricket Festival**. This event forms part of a broader cricket development programme, including the launch of **The Andile Phehlukwayo Cricket Bursary** for a Grade 8 learner since 2024—one of many future initiatives aimed at fostering talent and opportunity.

We are honoured to be part of this journey and committed to growing this festival into **South Africa’s premier primary school cricket event**.

Good luck, and enjoy the tournament!

NM Madwe
Head: Operations
